Permanent

COMPILING NRF 008: PILOT STAFF NOTICE (PSN) DURING PILOT STAFF WORKING

From Friday, 30 August 2024, this Permanent SAFE Notice cancels and replaces Permanent SAFE Notice 002 – 2024 due to expiry and advertises additional instructions for signallers when compiling NRF 008: Pilot Staff Notice (PSN).

Where Pilot Staff Working is in operation and Level Crossings in the Pilot Staff section are required to be protected in accordance with NSY 516: Pilot Staff Working, in addition to completing *section 5 of NRF 008 (Active control level crossings)*, the signaller **MUST** also provide the following instruction to drivers in *section 11 (Special instructions and additional information)*:

- ***Drivers must be prepared to STOP before the Level Crossings detailed in the PSN and obey the indications given by the Handsignaller at the Level Crossing.***

Note: During Pilot Staff Working, when a NRF 008 form has been issued to advise of affected Active Control Level Crossings, a NRF 004: Condition affecting the Network (CAN) form must not be issued.

This requirement will apply until further notice.
