

SAFE Notice 2023

221

NETWORK ACCESS LEVEL CROSSING UP AND DOWN NORTH FORKS - INNER HARBOUR

From Monday, 29 May 2023

The following instructions must be followed to allow vehicles and plant to cross at the Network Access Level Crossing: 84.301km

The Signaller Wollongong is responsible for protecting the Network Access Level Crossing at 84.301km on the Up and Down North Fork lines.

Qualified Worker:

1. Obtain permission from the Signaller Wollongong to use the Network Access Level Crossing
2. When the crossing has been made, tell the Signaller.

Signaller:

Prior to giving permission for vehicles and plant to cross the Network Access Level Crossing:

1. Place at STOP and apply blocking facilities to:
 - WG 121 signal for the Down North Fork route, and
 - WG 125 signal for the Up North Fork route, and
 - WG 116 signal for the Up North Fork route, and
 - WG 120 signal for the Up North Fork route.
2. Ensure there no is approaching rail traffic between:
 - WG 121 signal and the Network Access Level Crossing, and
 - WG 125 signal and the Network Access Level Crossing, and
 - WG 116 signal and the Network Access Level Crossing.
3. Tell the Qualified Worker that they may use the Network access level crossing.
