On Saturday night/Sunday morning, 3 – 4 October 2020

On Sunday night/Monday morning, 4 – 5 October 2020

On Monday night/Tuesday morning, 5 – 6 October 2020

In conjunction with Special Train Notice No. 2497 – 2020, the following Safeworking arrangements will apply:

NIF TRAIN TESTING

NIF train testing will be undertaken on the Up Suburban West line between St Marys and Seven Hills and the Down Suburban West line between Blacktown and St Marys in accordance with the possession arrangements detailed in Special Train Notice No. 2497 – 2020.

A Qualified Worker must be provided to carry out the following:

- Obtain a Local Possession Authority in accordance with the procedures shown in NWT 302 for the defined portion of track as shown in Special Train Notice No. 2497 – 2020.
- Come to a clear and proper understanding with the Train Crew in regards to the possession limits, the test area limits and all train operational requirements to carry out the testing.
- For any wrong direction movements, any facing points must be secured with a point clip and be locked unless the signal protecting the points can be cleared.
- Authorise the special train to run in both the Up and Down directions within the possession area as required.

During the testing, wherever possible the Driver should operate the train from the leading carriage in the direction of travel at ALL times.

If a propelling movement is required as part of the testing, the movement must be conducted in accordance with NTR 424.

Note: A Special Proceed Authority (SPA) will not be required for a wrong direction movement within the limits of the LPA.

ENGINEERING WORK

During the possession NO fixed worksites, work trains or track vehicles will be permitted to traverse or occupy the Up or Down Suburban West lines (except for the passage of the special train to be used for testing) within the possession area.

No persons other than those associated with the train testing are permitted within the possession area.
