## REQUESTS FOR NETWORK MANUALS AND FORMS

Please regularly check that your Network Manuals and Forms are up-to-date and include the current Status Sheet numbers for each section, as listed in the most recent Weekly Notice.

If your manuals do not have the correct Status Sheets, they have not been properly amended and the Safeworking information will not be up-to-date.

All Sydney Trains staff issued with Network Manuals and who require regular updates and amendments need to contact their distribution officer, as listed in the most recent Weekly Notice, to have their name and contact details included in the distribution list. This will ensure that you receive all updated Network Manuals and Forms.

All requests to receive Safeworking documentation must be forwarded through your controlling officer to the appropriate distribution officer.

Those outside Sydney Trains can access Safeworking information by visiting the RailSafe website at [www.railsafe.org.au](http://www.railsafe.org.au)
