Since **Monday 3 June 2018**, the process for issuing, distribution and custody of XL keys has changed. As a result of this change, Sydney Trains will be recalling all XL keys.

Existing registered key holders will be contacted and asked to surrender their XL key to the applicable Issuing Officer. If you have a XL key and have not been contacted, you should talk to the applicable Issuing Officer as listed in the table below.

Existing XL keys will be replaced with a new key featuring a unique serial number. This Serial number will be recorded against the individual key holder in a centralised register.

Individuals will no longer be able to order these keys from Clyde Logistics, keys must now be ordered through authorised issuing officers.
