

IMPORTANT INFORMATION

TO THE CONTRACTOR/WORKER

- You are required to attend a health assessment to assess your fitness for safety critical work at your transport agency.
- Instructions for arranging your health assessment and preparations you need to do beforehand, are on page 3 on this form.
- The health assessment will include an AS/NZS4308:2008 urine drug test and an alcohol breath test. Contractors who return a positive urine drug or an alcohol breath test reading greater than zero will be certified temporarily unfit until such time as you have successfully completed your transport agency's drug and alcohol rehabilitation program for contractors. Details of the program requirements are available from the RailSafe website at <https://railsafe.org.au/>
- The authorised health service provider may ask your permission to speak to your general practitioner or treating specialist and if you agree, will then ask you to sign a document providing written consent to such contact.
- If the authorised health service provider finds or suspects something is wrong with your health that you did not know about, they will ask permission to inform your doctor. The examining health professional will not treat any medical condition but will give you a letter to take to your own health professional.
- If the authorised health service provider finds that you do not meet all relevant medical criteria, your manager and your transport agency may discuss the appropriate action to be taken.

TO THE CONTRACTOR/WORKER - DISCLOSURE OF HEALTH INFORMATION

Please read carefully and sign below to indicate your understanding of how your health assessment information will be reported, stored and accessed.

The authorised health service provider retains all detailed medical papers relating to your health assessment including your test results and the completed record of clinical findings. The authorised health service provider only sends the completed Part B Report form and the drug and alcohol test results direct to your firm and your transport agency to indicate your fitness for safety critical work. The details of your health assessment will remain confidential and will only be reported to your firm and to your transport agency in terms of your fitness for safety critical work unless you give the health service provider a separate, specific written authorisation to disclose any relevant medical information that impacts on your ability to do your job.

The exception to the above is that the Chief Health Officer (CHO) or nominated representative of your transport agency may access your full medical records and test results to aid in the management of your health in relation to your work, for audit purposes, or to compile statistics. The CHO or nominated representative must maintain the confidentiality of these records and ensure they are not made available to, or discussed with, any person within your transport agency.

Other than the above, no information will be disclosed to your firm or any other person or organisation without your written permission, except where:

- a notifiable disease is diagnosed which must by law, be reported to the State authorities, or
- a report is subject to subpoena or a statutory disclosure requirement, or
- the rail safety regulator (or another person) is required to conduct an inquiry into a railway accident or incident, or
- a person or organisation is appointed to conduct an audit of the health service provider's compliance with the National Standard for Health Assessment of Rail Safety Workers, or
- de-identified statistical information related to your transport agency's health assessment process is compiled and provided to your transport agency, or
- there is another lawful purpose.

Information collected on this form is subject to privacy laws such as Health Records and Information Privacy Act 2002 (NSW), and Privacy and Personal Information Protection Act 1998 (NSW). Transport agency protects and holds all health and personal information in accordance with policies and procedures. You have the right to access your health records including those held by the authorised health professional and the records held by your transport agency.

CONTRACTOR/WORKERS DECLARATION

I,..... (print name) certify that I have read and understood the above statement concerning the disclosure of my health information. I understand that if the outcome of the health assessment is temporarily or permanently unfit, or if the drug or alcohol test is positive, a copy of Part B of this form is sent to Transport for New South Wales Learning and Development Branch to manage Rail Industry Worker Card. I agree that this declaration cannot be withdrawn to avoid the consequences of not passing a medical assessment and/or failing a drug or alcohol test.

TO THE CONTRACTOR'S FIRM

Please complete all relevant details in Part A of the form including:

- personal details of the worker/applicant, and
- appointment details, once these are confirmed by the health service provider after you have booked the appointment.

Also complete Portability section of Part B either before the appointment, or whilst with the examining health professional.

Note: To be certain that the individual is fit for rail safety work, the health assessment should be finalised before any relevant training course is booked. Note that the urine drug test results will take at least two days to be available and that the health assessment cannot be finalised without these results.

The authorised health service provider needs to be provided with the original of this form, at least three business days in advance of the scheduled appointment.

TO THE HEALTH PROFESSIONAL

You are requested to conduct a health assessment to assess the worker's / applicant's fitness for safety critical work in accordance with:

- details provided in Part A of this form,
- the National Standard for Health Assessment of Rail Safety Workers, and
- Authorised health professional terms of reference

Please perform the assessment, complete Part B of this form and return it to the nominated contact at the contracting firm according to the instructions in Part A.

NB: If the outcome is temporarily or permanently unfit, and/or if the drug or alcohol test is positive, a copy of Part B should be faxed to Transport for New South Wales Learning and Development Branch on 02 9752 8951 or emailed to Learning@transport.nsw.gov.au
