EPPING TO CHATSWOOD RAIL CORRIDOR DECOMMISSIONING

Commencing at 0200 hours on **Sunday, 30th September 2018** the Epping to Chatswood Rail Link (ECRL) will be shutdown to allow for Sydney Trains to decommission and segregate the line from the existing rail network.

All ECRL infrastructure including tracks, signals and points both within or leading into the ECRL and will be secured and permanently booked out of use.

The ECRL and all associated assets will then be handed over to OpCo from 0001 hours on Saturday, 27 October 2018, where Northwest Rapid Transit will commence works in converting the line in preparation for Metro Operations.

During the shutdown and the commencement of Sydney Metro Operation in mid-2019, StationLink will be operations, providing a bus service for Macquarie University, Macquarie Park and North Ryde Stations.

REQUESTS FOR NETWORK MANUALS AND FORMS

Please regularly check that your Network Manuals and Forms are up-to-date and include the current Status Sheet numbers for each section, as listed in the most recent Weekly Notice.

If your manuals do not have the correct Status Sheets, they have not been properly amended and the Safeworking information will not be up-to-date.

All Sydney Trains staff issued with Network Manuals and who require regular updates and amendments need to contact their distribution officer, as listed in the most recent Weekly Notice, to have their name and contact details included in the distribution list. This will ensure that you receive all updated Network Manuals and Forms.

All requests to receive Safeworking documentation must be forwarded through your controlling officer to the appropriate distribution officer.

Those outside Sydney Trains can access Safeworking information by visiting the RailSafe website at www.railsafe.org.au
