**XL KEYS RECALL**

Since **Monday 3 June 2018**, the process for issuing, distribution and custody of XL keys has changed. As a result of this change, Sydney Trains will be recalling all XL keys.

Existing registered key holders will be contacted and asked to surrender their XL key to the applicable Issuing Officer. If you have a XL key and have not been contacted, you should talk to the applicable Issuing Officer as listed in the table below.

Existing XL keys will be replaced with a new key featuring a unique serial number. This Serial number will be recorded against the individual key holder in a centralised register.

Individuals will no longer be able to order these keys from Clyde Logistics, keys must now be ordered through authorised issuing officers.

Issuing Officers	Issues keys to
Manager Service Delivery Response	Incident Rail Commanders
	Area Managers Signal Box Operations
Principal Engineer Signalling Integrity	Signal Engineers
Director Safety and Standards Sydney Trains	Operations Safeworking Supervisors

Any person found in possession of an unnumbered XL key will have the key confiscated and may be subject to disciplinary action.

For more information about XL keys you can view the Network Standard "*Issue and Use of XL Keys within the Sydney Trains Network*" at [railsafe.org.au](http://railsafe.org.au) or forward any questions to the Network Rules unit at [NRU.transport.nsw.gov.au](mailto:NRU.transport.nsw.gov.au)

## REQUESTS FOR NETWORK MANUALS AND FORMS

Please regularly check that your Network Manuals and Forms are up-to-date and include the current Status Sheet numbers for each section, as listed in the most recent Weekly Notice.

If your manuals do not have the correct Status Sheets, they have not been properly amended and the Safeworking information will not be up-to-date.

All Sydney Trains staff issued with Network Manuals and who require regular updates and amendments need to contact their distribution officer, as listed in the most recent Weekly Notice, to have their name and contact details included in the distribution list. This will ensure that you receive all updated Network Manuals and Forms.

All requests to receive Safeworking documentation must be forwarded through your controlling officer to the appropriate distribution officer.

Those outside Sydney Trains can access Safeworking information by visiting the RailSafe website at [www.railsafe.org.au](http://www.railsafe.org.au)
