

WORKER NOTIFICATION AND HEALTH QUESTIONNAIRE

CONFIDENTIAL:

For privacy reasons the completed form must be retained by the Authorised Health Professional (AHP) and not returned to the Rail Transport Operator (RTO) or contracting firm.

- You are required to attend a health assessment as part of your employment to assess your fitness for rail safety work. The health assessment must be completed by duties. The assessment will be conducted by an Authorised Health Professional (AHP).
- Please complete the enclosed questionnaire and provide it to the AHP. You must sign the last page of the questionnaire in the presence of the AHP.
- Please take to the appointment: glasses, hearing aid or any other aids required for your work; all medications you are currently taking or a list of these; and photo identification.
- The health assessment may include a drug and alcohol test (at Pre-employment or Triggered Health Assessment if indicated).
 If you return a positive drug or alcohol test you will be categorised Temporarily Unfit for Duty until you have complied with your RTO's drug and alcohol policy requirements.
- The AHP may ask your permission to speak to your general practitioner or treating specialist. If you agree, the AHP will ask you to sign a document providing written consent to such contact.
- If the AHP finds or suspects something is wrong with your health that you did not know about, they will ask your permission to inform your doctor. The examining doctor will not treat any medical condition but will give you a letter to take to your doctor.
- If the AHP finds that you do not meet all relevant medical criteria, your supervisor at the RTO or contracting firm will discuss with you the appropriate actions to be taken.

Disclosure of health information – please read carefully and sign the declaration at the end of the form to indicate you understand how health information is reported, stored and accessed.

In line with privacy and health records legislation, the AHP retains and keeps confidential all detailed medical information relating to your health assessment including your test results and the completed record of clinical findings. They do not disclose this information to your RTO or contracting firm unless you provide specific written authorisation. The AHP only sends the completed health assessment report to indicate your fitness for rail safety work.

The exception to the above is that the Chief Medical Officer (CMO) or a person authorised by the CMO may access your full medical records and test results to aid in the management of your health in relation to your work, or for audit purposes, or to compile statistics. The CMO or authorised representative must maintain the confidentiality of these records and ensure they are not made available to, or discussed with, any person within your RTO or contracting firm.

Other than the above, your personal information will not be disclosed to any other person or organisation without your written permission, except under any of the following circumstances:

- a notifiable disease is diagnosed that must by law, be reported to the State authorities
- a report is subject to subpoena or a statutory disclosure requirement
- the rail safety regulator (or another person) is required to conduct an inquiry into a railway accident or incident
- a person or organisation is appointed to conduct an audit of the AHP's compliance with the National Standard for Health Assessment of Rail Safety Workers
- de-identified statistical information related to your health assessment is compiled for research purposes
- there is another lawful purpose.

You have the right to request access to the health records held by the AHP and to reports held by the RTO.

Portability of health assessment reports: Your health assessment report cannot be shared with another RTO without your written consent.

Please sign the declaration at the end of the form to indicate your understanding of how your health information will be managed.
