

NSG 606 Responding to signals and signs

Signals not in use

Description

Not what you are looking for? See more [NSG 606 Responding to signals and signs](#)

Signals not in use

A signal that is not in use must:

- have a large white “X” hung over the signal, or
- if next to a functioning signal, have its head covered or turned away from the line.

Drivers or Track Vehicle Operators must ignore indications of signals marked as not in use.
