NSG 606 Responding to signals and signs Signals not in use

Description

Not what you are looking for? See more NSG 606 Responding to signals and signs

Signals not in use

A signal that is not in use must:

- have a large white "X" hung over the signal, or
- if next to a functioning signal, have its head covered or turned away from the line.

Drivers or Track Vehicle Operators must ignore indications of signals marked as not in use.
